

My name is Karen Burkey, I am a supporter (financially) and faithful listener of K-LOVE radio. K-LOVE sends a positive message of love and hope to its listeners. It is involved in community awareness and outreach by raising financial support for charities such as the local "Gospel Missions" that feed and clothe our homeless. One can hear daily words of guidance for building stronger/healthier marriages, families and personal relationships. Best of all K-LOVE introduces people to Jesus Christ, who truly is the Light of the World. Please allow us to continue listening to K-LOVE. Thank you for your time. My husband is a listener also.
